

2018 The 32nd Dalian Import and Export Commodities Fair

Preface

Dalian, the most dynamic coastal city in North China, is the opening up window of Northeast China. With the first natural harbor of North China, Dalian has opened up navigation with more than 150 countries and regions and grown to be an important international shipping center of northeast Asia. Dalian has solid industrial foundation. It is an important base of petrochemical, electronic information and software, equipment manufacturing and shipbuilding. With well-developed business, trade, tourism and service industry, Dalian has been selected as the permanent city for Summer Davos. In order to further promote the cultural exchange and economic and trade cooperation between Dalian and the rest of the world, as well as to expand import and export trade, The 32nd Dalian Import and Export Commodities Fair will be held in Dalian World Expo Center from May 17th to May 20th of 2017, sponsored by China Council for the Promotion of International Trade Dalian Sub-council and Dalian Chamber of International Commerce. This fair will further enhance the internationalization, specialization, marketization, vigorously organize overseas brands, enterprises with new products and cross-border e-commerce enterprises to participate in, and build a two-way display trading platform for enterprises home and abroad.

In line with 'Making friends, promoting trade, exploring the market, cooperating and pursuing win-win situation', we welcome the friends both at home and abroad to the most beautiful coastal city in Northern China-Dalian, to seek for business opportunities and mutual residence.
